

DISCOVER THE WIRELESS FREEDOM
JÖST FLOOR CLEANER JUNIOR 18

FLOOR CLEANER JUNIOR 18

The robust and handy design of the Floor Cleaner Junior 18 immediately catches the eye. The FCJ 18 is designed for daily use in hard-to-reach areas and on a wide variety of surfaces. The global and powerful rechargeable battery system allows you to work independently of a power source and is compatible with many other battery-powered devices.

We have not only found a high-quality battery system in the cross-manufacturer METABO Cordless Alliance System (CAS), we have gained a reliable and genuine partner with whom we will continue to develop more cordless grinding and cleaning systems in the future.

Power consumption	300 Watt
Motor speed	2800 - 3000 min-1
Cleaning area	190 x 340 mm
