# THE OPTIMUM SOLUTION FOR WET CLEANING

## Floor Cleaner & Floor Cleaner Junior - **NEW: with integrated water tank**

After the successful introduction of the Floor Sander and Floor Sander Junior series, both versions are now available with an integrated water tank to wet down the surfaces to be cleaned.

One of the outstanding features of these machines is their simple operation. One-step cleaning can be done right up to edges and into corners. The Floor Cleaner and Floor Cleaner Junior offer a wide range of applications – from simple maintenance work to basic cleaning and the removal of old coatings.
