FLOOR sander junior

The Junior Version of the Jöst Floor Sander is a true multifunction solution for perfect floor treatment. Low weight and a compact design make it easy to handle.

With no integrated vacuum cleaner, the Floor Sander Junior is great for working on staircases and in narrow and low areas where space is tight. Used in conjunction with the JÖST abrasives, the Jöst Floor Sander Junior guarantees dust-free working.

- Simple to use
- Straight-edged sanding right into the corners
- Suitable for dry and wet sanding
- Operation possible in the smallest of rooms
- Produces outstanding surface quality
- Ideal for working structured surfaces, in particular for design floor coverings with a longitudinal structure
