

**SPOTLESSLY CLEAN
IS SAFER!**

The JÖST concept for all rescue services

FLOOR SANDER JUNIOR 18

„The Edition Florian“

Designed for cleaning ambulances

2800 rpm and 18 kg contact pressure provide much more intensive basic cleaning than the usual wiping process. The FSJ 18 Florian and the JÖST Microfiber Pad “Grey” dissolve even the finest dirt particles, guaranteeing an extremely safe level of disinfection. The pad is also designed to take punishment in its stride – it will easily handle more than 200 floor-cleaning procedures and disinfecting washing processes without giving up the ghost!

45 minutes of battery autonomy

User-friendly

Working width 190 x 340 mm

Only 14 cm working height

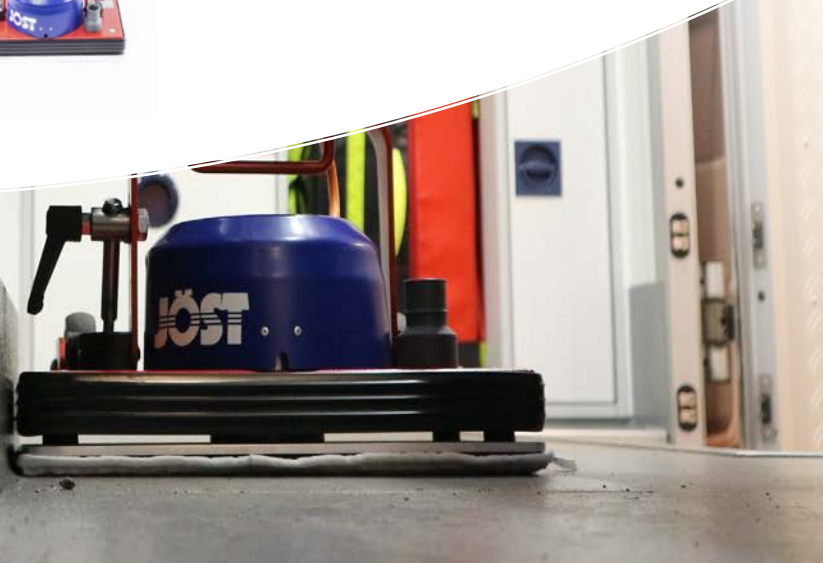

Fast charging: 80% in 40 minutes

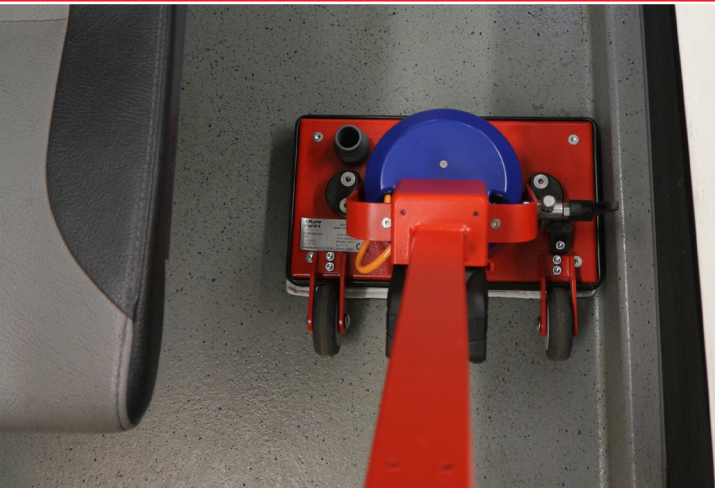

Get right into the tight corners

“The much better cleaning performance makes our procedures at least three times faster than usual!,”

Paul Kramer, Fire Service Dortmund

Improved basic hygienic condition | Increased infection prevention
