

useit-net[®] **MARATHON**

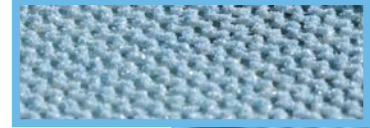

Long service life for
highest demands

useit[®]-net MARATHON

NOVELTY FROM JÖST

- suitable for all machine types
- grits C80 up to C500
- optimum surface quality
- ideal for hard surfaces
- available in almost all sizes and dimensions

The new **Jöst useit[®]-net Marathon** is made of 100% ceramic grain and is ideal for hard surfaces such as hardwood, lacquer, solid surface material and many more. Thanks to the innovative design of the sanding net and the ceramic grain, you will achieve excellent as well as virtually dust-free sanding results with the useit[®]-net Marathon pads.

100% ceramic grain
