JÖST MICRO FIBER PADS - made in Germany

The new Jöst high-quality micro fiber pads – made in Germany – give you outstanding cleaning results with an unsurpassed price-performance ratio. When the pads are used in combination with the Jöst Floor Sander and Floor Sander Junior Excenter cleaning machines, the treatment is deep and intensive, resulting in a superbly clean surface – and you can often use the pads to clean different materials using only water and no chemical agents.

The Micro Fiber Pad **“Blue Melange”** is the all-rounder among the pads. It’s fantastic for cleaning carpets. The **“Blue Melange”** is also suitable for removing marks on linoleum, parquet, rubber, stone and laminate floors – even the most stubborn surface stains surrender to the talents of this pad!

The Micro Fiber Pad **“White Blue”** – this is the one that’s ideal for treating lighter stains on smooth surfaces, like linoleum, rubber and stone floors.

Micro Fiber Pad **“White”** – this pad is tailor-made for cleaning tiles and glass surfaces. It has the best possible performance in cleaning and dirt retention.

Micro Fiber Pad **“Grey”** – this pad’s structure makes it ideal for cleaning structured surfaces and safety tiles.

Jöst Micro Fiber Pads are available in the following sizes:

190 x 340 mm
