

Technical data sheet

Floor Sander Junior eccentric machine

Technical information

Part no.:	FSJ-180/330
Power consumption:	350 watts
Motor speed:	2800 1/min.
Working area:	190x340 mm
Supply voltage:	230 V
Weight:	21-26 kg
Network voltage frequency:	50 Hz
Sanding stroke:	5 mm
Tube connection:	27 mm
Additional weight:	5 kg

Additional weight not included in the delivery

We'll be delighted to advise you personally and competently:
